The Sun Dial staff this year included several staffers from last year when the paper received first place in the American Scholastic Press Association ratings. The winning tradition continued at the AIPA fall convention where Editor Victor Barajas won second place in the news writing write-off. Victor's stories in the Teen Gazette of the Phoenix Gazette were featured as lead stories in almost every issue. Another highlight was the national convention of Journalism Education Association members where the Sun Dial staffers played prominent roles in the activities of the convention.

J.V. VOLLEYBALL -- front: Lupe Gutierrez, Rachel Martinez, Anna Edwards, Lisa Baldwin, Sheila Kelly, back row: Martha Vargas, Niki Lomack, Lonora Wise, Karen Richmond, Chris Graham, Debbie Pitman, Coach Ms. Petersen. Not pictured: Jennifer Martin and Claudia Ramos.

Unable to field freshman or varsity squads, the Thunderbird volleyball program was at a disadvantage against the highly experienced competition the girls had to face during the past season. Even with these handicaps, Coach Denise Peterson's squad, through hard work and determination, showed great improvement and was able to play many close and competitive matches. Named as the outstanding performers were Debbie Pitman, best spiker; Lupe Gutierrez and Karen Richmond, best servers; Rachel Martinez, most dependable; Nikki Lomack, most improved; and Anna Edwards, most spirited.

THROUGH THE MIDDLE: Taking a hand-off from Dana Weinke, Tony Johnson takes off on a blast up the middle of the Alhambra line. Creating the running room with their blocks are Bob Tellas and Danny Angulo.

JUNIOR VARSITY FOOTBALL -- top row, Michael Pietrazak, Anthony Mitchell, Ben Cluff, Shawn Carr, Dan Mace  
second row, Tony Johnson, Joe Alwin, Dean Jepperson, Edward Angulo, Manuel Rangel, Orlando Lopez, third row,

fourth row, Phillip Burris, Eric McVay, Gilbert Lawrence, John Jamieson, Billy Anderson, Ronnie Williams, Mark  
Olivas, front row, Doug Amos, Bob Tellas, Rudy Lugo, Henry Nevejar, Robert Holland. Not pictured, Coach LaBelle.

Once again, Coach Gene Cox was forced into completely rebuilding the junior varsity football program. With athletics limited to the freshman and J.V. levels, most players with experience opted to attend schools which include varsity sports.

This year's team was really thrown to the "lions," going up against experienced squads from schools with enrollments more than three times our size. Even with these handicaps the team made definite progress during the season.

Special honors went to John Jamieson, most valuable player; Phillip Burns, best tackler; James Snell, heart award; Charles Willis, spark plug award; and Ed Angulo and Manuel Rangel, co-captains for the team.

FOLLOW THE CROWD: Tony Johnson (46) is well-escorted as he races around left end and on to a big gain against Alhambra. Dana Weinke (16), Shawn Carr (87) and John Jamieson (65) lead the way.

CATCH HIM, T-BIRDS! Setting off in hot pursuit of the Central ball carrier, three T-Bird gridders, Eric McVay (68), Anthony Mitchell and John Jamieson (65) try to nail the Bobcat before he can pick up too much yardage.

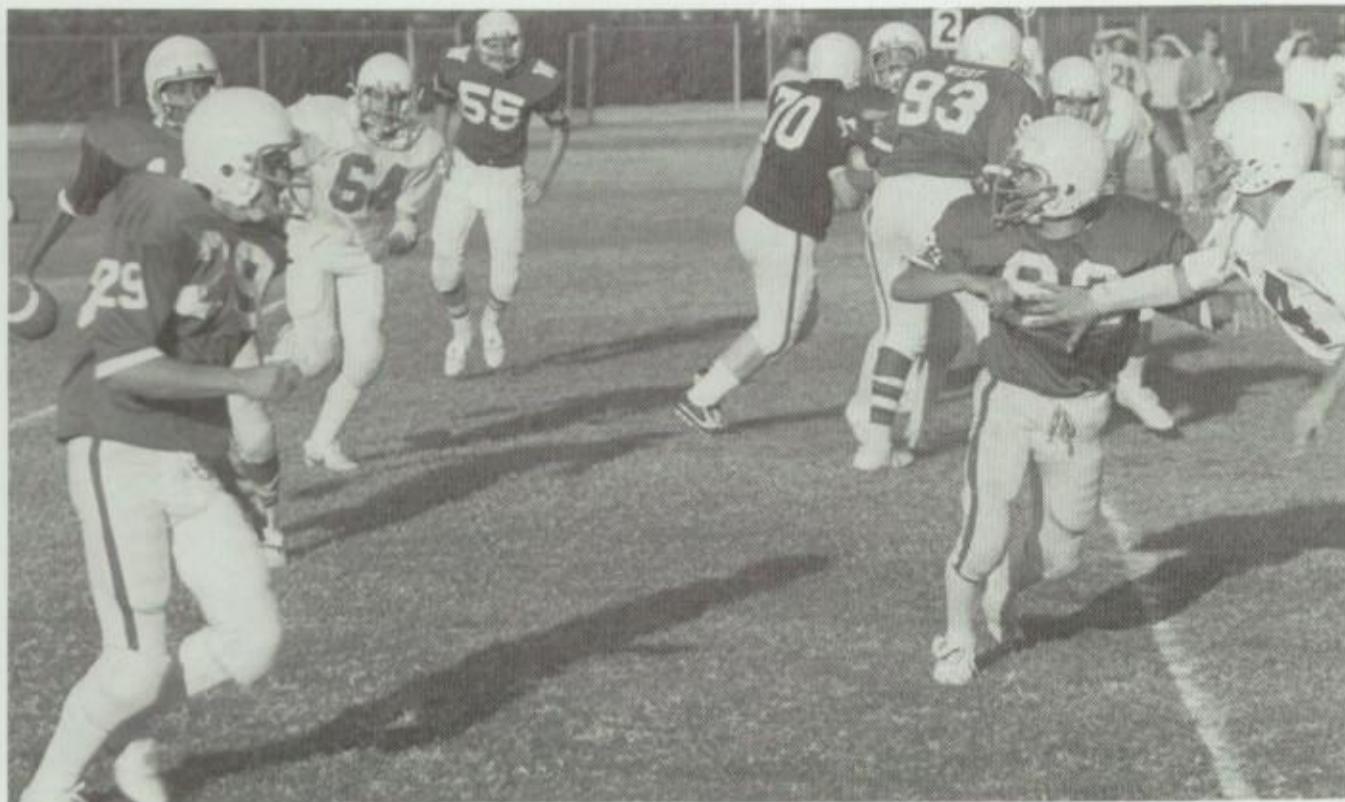

FRESHMAN FOOTBALL -- top row, David Chrissman, James Williams, Chris McLemore, Daniel Guzman, David Miracle, second row, Mickey Lewis, James Prato, Byron Sampson, Eddie Poe, Kevin Juliano, Jim Satterlee, third row, Joe DeCosta, Albert Miranda, Coach Jim Hatfield, Coach Bob Wright, Coach Dennis Meador, fourth row, Mike Hester, Larry White, Marty Solmes, Ramon Garcia, Darrin Bullock, bottom row, Darrin Lafferty, Jamie Tom, Brian Dancy, Don Wonderling, Miguel Lopez, Chris Walker. Not pictured: Russell Smith, Dan Olivas, Victor Cluff, Phillip Sosa, Jerry Claxton, Robert Denning and Joe Diggins.

Improvement was the key word during the 1983 freshman football season. The frosh eleven had its best games against South, Cactus and North when the efforts of the defensive team really stood out. Rated as the outstanding players for Jim Hatfield's squad were Joe DeCosta, Kevin Juliano, Eddie Poe and Russell Smith. DeCosta and Juliano were named the most valuable players on defense, Smith was the MVP on offense while Mickey Lewis was selected as the most improved gridder.

READY TO FIRE: Junior Pena keeps his eyes on his receivers as he sets up for a pass against Cactus. Don Wonderling (17) and Russell Smith (29) provide the protection.

THIS WAY, JUNIOR! As Russell Smith (29) and Kevin Juliano (83) lead the way, Junior Pena rolls out around Cactus. David Miracle (55), Joe Diggins (70) and Kevin Juliano (93) are in the background.

CLEARING THE WAY: With Darrin Bullock (47) running interference, Russell Smith (29) cuts towards an opening and goes for a big gain in the Cactus tilt. Junior Pena (18) carries out his fake after giving the ball to Smith.

FOLLOW ME, DARRIN! This time it's Russell Smith's turn to lead the way as Darrin Bulluck packs the pigskin. This action was also in the Cactus contest.

# BASKETBALL

## JUNIOR VARSITY BASKETBALL

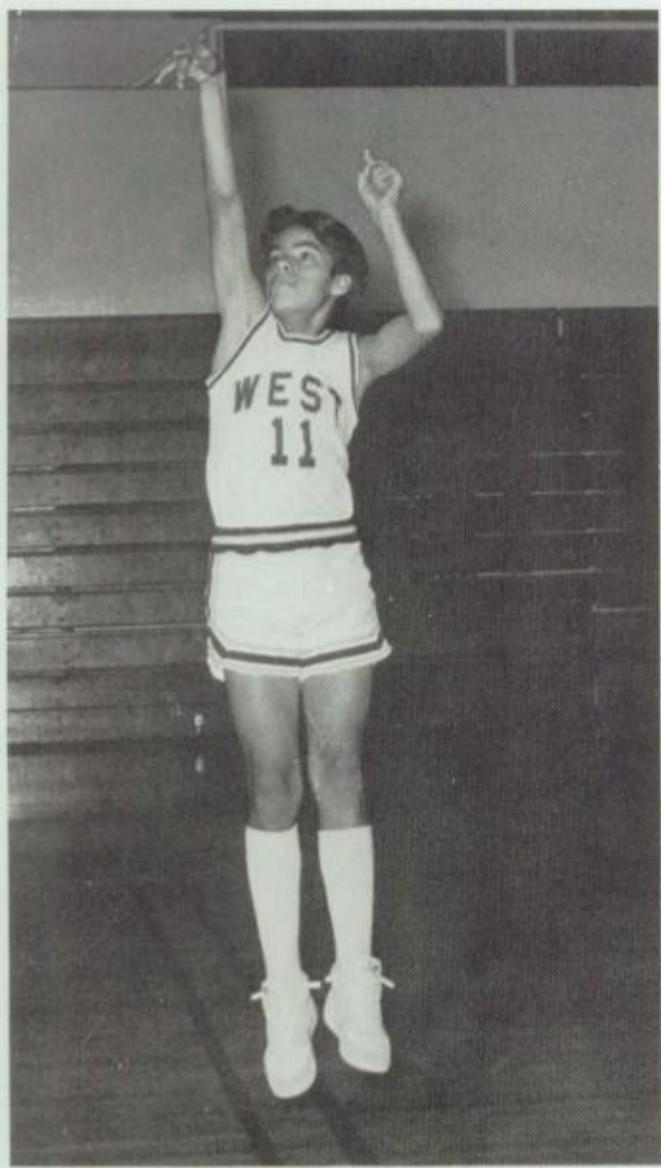

Winning did not always come easy for this year's J.V. basketball squad, but it did come often as Coach Jim Hatfield's five romped to 11 wins while suffering only four defeats. In fact, with a couple breaks the T-Birds could have gone undefeated. However, the team did have the best record in the "A" league of the Metro Division. Highlights of the season came in the three last second wins over Tolleson, Arcadia and Agua Fria and thumping Cactus by 42 points. Outstanding for the local quintet were Jerry Coker, the team's leading scorer, and Anthony Mitchell, the top rebounder and most valuable player. Also receiving special mention for their season's efforts were Ken Perez, Tommy Totress, Tony Johnson, Ronnie Williams, Tony Thomas, Tory Joseph and Ellis Ogles.

Anthony Mitchell was named Most Valuable Player for his efforts in team competition.

JUNIOR VARSITY BASKETBALL -- front row; Tony Johnson, Ronnie Williams, Jerry Coker, Tommy Totress, Tony Thomas, back; Ellis Ogles, James Osborne, Anthony Mitchell, Ken Perez, Tory Joseph and Coach Jim Hatfield.

Orlando Castillo shoots a practice basket.

#### FRESHMAN BASKETBALL

A very inexperienced freshman quintet took the court again this year, struggling through the difficulty of learning to play as a unit while facing some very formidable opponents. Coach Robert Wright was pleased with the improvement of most of his team and feels a few of them could be productive players in the future. Outstanding individual performances during the season came from James Williams, the leading scorer; Chris McLemore, top rebounder; and Orlando Castillo, whose 15 points was high for one game.

FRESHMAN BASKETBALL -- front; Danny Olivas, Orlando Castillo, Darrin Bullock, James Satterlee, back row; Joe DeCosta, Chris McLemore, James Williams and Coach Robert Wright.

## SOFTBALL

Early in the season the PVAC/TRAD softball team looked like a sure thing for a winning season; however, injuries and the inability of the players to adjust to new assignments changed that look and the squad ended up with a 5 and 8 record. The regular season games that the team will probably remember are the win over South and the close loss to Cactus. But the contest the students and the faculty won't forget was the 9-5 drubbing that the girls handed the faculty all stars to wind up their year. Coach Denise Peterson named Jeanie Rodriguez as the most valuable player; Roxie Payton, most improved; Debbie Pitchford, top base stealer; and Anna Edwards, most spirited. Coach Peterson was aided by student assistant coaches, Scott Hearne and Max Olivas.

SOFTBALL -- bottom row; Lupe Gutierrez, Rachel Martinez, Elvia Rodriguez, Jeannie Rodriguez, Anna Edwards, Debbie Pitchford, Roxie Payton, top row; Asst. coach Scott Hearn, Kathy Greene, Karen Richmond, Martha Vargas, Rosa Lucero, Karina Sans, Coach Ms. Petersen and asst. coach Max Olivas.

Getting warmed up! Forward Linda Riley, Center Lorrie Hickerson and Guard Detra Morrison get in a few practice shots before a home game.

It's finally over!! This edition of the "Westerner" is the smallest in the twenty nine issues I have had the pleasure to be a part of producing. Many thanks go to all the editors, photographers and staff members I have had the great fortune to be able to work with. Also thanks should go to the printers for their great color sections and to the members of the school board that allowed us to photograph our own senior and underclass pictures. All who have helped make the "Westerner" a great series of yearbooks have my deepest thank you again.

my deepest thank you again.

Dear Dame, you know I've such a  
beginning you were extremely good. I always go now as  
it goes on but still you are a great

This image shows a piece of paper with handwritten text in blue ink on the left side and a large, dense red scribble on the right side. The blue ink text is partially cut off at the top, but what remains reads: "have a", "that all", "the way", "personalities", "P.S.", "right", "P.S. I want", "to have you", "in the bathroom". The red scribble covers the right half of the page, starting from the bottom left and extending towards the top right.

Dear Damon,  
You're a real  
nice person. I'm  
ready to glad we had  
a chance to meet. Hope we
